Dear Parents,

The St. Patrick School Bus Committee is surveying parents to ascertain the number of children who will be using the bus service for the 2007-08 school year. The cost for the service is charged per family. This past school year the service cost each family \$750.00. A portion of that fee will be returned to each family. That amount depends upon the subsidy given to our parish from the state of Kentucky. We know that there will be an increase in the cost of the service for next year. Depending upon the number of families that pay for the service and upon the bus subsidy, we hope that increase will be less than 10%.

We ask you to complete the form below and return to Mrs. Cook by January 24, 2007. This form will complete your bus pre-registration and will save your children a seat on a bus. After we get a count, the bus company will give us the cost for next year. Then we will ask you to commit to using the bus service by paying one-half of the cost for the service. This amount will be non-refundable.

We need the following form to be completed and returned to Mrs. Cook by January 24 in order to reserve seats on the bus for your family. We do not want any payment at this time.

Yes, I am interested in my child/children riding the bus for the 2007-08 school year.
